Grades I-IV
All Vocations
June 16, 2006

TCP For
Grade I-IV
July 19, 2006

CORBS presents a seminar to further your education and offer advancement through education.

In order to offer the best training available CORBS has teamed with SSCSC to provide a diverse seminar for collections at all grade levels.

The classes will be announced on the website at a later date. This will be informative for all grades and vocations. This year we are offering study guides as part of the training for those who require this service.

The class outline will benefit everyone, from those who are taking their test to those who simply want to stay ahead in the industry.
