- This Fair is an effort to introduce new strategies for improving the safety, accuracy and efficiency of your daily collection system maintenance operations.
- Hungry? We will be providing morning refreshments and a free catered lunch.
- Venture over and submit your ideas for the Gimmicks and Gadgets awards.
- Attendees may earn up to 4.0 contact hours.
- Many spectacular prizes including a large Flat Screen TV will be drawn during the event.

- Due to the extraordinary popularity of this event, this event fills up very quickly. Since space is limited, get signed up while there is time. Remember ... No reservation - No admittance.
