CWEA SEMINAR

CAN'T WE ALL JUST GET ALONG?

Building Projects that WORK for Engineering and O&M

WHO SHOULD ATTEND?

- ✓ Operators
- ✓ Maintenance Staff
- ✓ Engineers
- ✓ Construction Managers
- ✓ Anyone else interested in being better involved in treatment plant project design, construction, and O&M.

SUMMARY

Join us for a lively discussion of successful avenues for identifying treatment plant construction projects and staying involved in the entire process -- from idea to operation, and all of the pitfalls in between. Each speaker offers a different perspective on communication between engineering and operations, and you're sure to gain valuable knowledge about how to interface, and not interfere, throughout a plant construction project.

DATE: Wednesday, February 24, 2010

TIME: 4PM - 8PM

LOCATION: Brown & Caldwell,
201 N. Civic Dr., Suite 115
Walnut Creek

SPEAKERS

- **Chris Davenport**, Construction Manager, The Covello Group
- **Levi Fuller**, Plant Manager, Dublin San Ramon Services District
- **Steve Delight**, Senior Engineer, Dublin San Ramon Services District
